Subject: Draft OSRTI/Region 9 Meeting Materials

All,

Attached please find the revised draft briefing materials based on our discussion yesterday and comments that I received. Enrique requested that we send these material to OSRTI by the end of the day so if you have time we would appreciate any comments by 3:30 pm to day. I have included the following:

- Exide briefing paper
- Exide briefing paper figures
- Exide briefing agenda

Thank you to everyone for all the help with these materials.
